Experiences

Kaleidoscope Innovation

*Cincinnati, Ohio / Consultancy / Industrial Design
Co-op/ Jan 2025–April 2025*

Resolved clients problems through research, brainstorming, and refining concepts. Worked with the design, engineering, and marketing team to create top of the line solutions. Curated and presented findings/ concepts to the clients.

Dart Container Corporation

Mason, Michigan / Industrial Design Co-op
May 2024–Aug 2024

Collaborated with numerous engineering teams to help visualize ideas and present to the business teams. Communicated with clients to discuss their vision for future products. Created slide decks with a variety of design directions and shared with the client.

Crown Equipment Corporation

New Bremen, Ohio / Industrial Design Co-op
Aug 2023–Dec 2023/ Jan 2023–April 2023

Conceptualized, sketched, rendered, and modeled numerous solutions to improve and create Crown products. Collaborated with engineers, interaction, & industrial design teams to maximize design concepts. Researched different warehouses to analyze users, receive their feedback and improve Crown products.
